

KaWaBiz NET and GIC co-hosted of the “Kawasaki Overseas Development Seminar”

The Kawasaki Water Business Network (KaWaBiz NET) and the Kawasaki Green Innovation Cluster (GIC) jointly held the Kawasaki Overseas Development Seminar on September 27 (Fri), 2024. The seminar introduced ongoing initiatives, local requirements, and key case studies relating to current projects implemented by the Kawasaki City Environmental Bureau and Economic and Labor Bureau. As a functional platform for connecting the public and private sectors, KaWaBiz NET will continue to support our members' water business by providing helpful information through seminars like this one.
